

ProductSheet

HyperX ChargePlay Duo - Controller Charging Station for PS5 (51P68AA)

Charge. Play. Repeat.

Simultaneously charge two DualSense™ controllers with the HyperX ChargePlay™ Duo. Ensure that you'll always have a second controller ready for multiplayer or to swap in during marathon gaming sessions. This charging station has a stable, weighted base and features a tasteful white/black aesthetic to match the look of your PlayStation 5.

Charges 2 DualSense™ wireless controllers simultaneously

Keep a controller charged and ready to swap in for marathon sessions, or make sure you have a controller powered for your friends, siblings, whoever your Player 2 may be.

Weighted base for secure docking

The weighted base and secure docking of the ChargePlay Duo helps it stay put, even in high-traffic areas of the house.

Compact and sleek design

Gets the job done without taking up a lot of space. Features a white/black aesthetic to match the look and feel of your console.
