

HyperX Cloud Chat Headset - PS5-PS4 (Black-Blue) (4P5J3AM)

Clear Voice Chat Communication.

The Officially PS4 Licensed HyperX Cloud Chat™ Headset is built with 40mm drivers for clear voice chat communication. It has a flexible noise-cancellation mic, pop filter, and in-line audio controls to easily adjust volume and mute the mic. The single ear cup allows you to hear game audio from your TV or home entertainment system as you chat in-game with your squad or party chat with friends. Featuring a lightweight, reversible design, the chat headset can be worn comfortably on either ear.

Official PS4 Licensed chat headset

Officially licensed by PS4 for a seamlessly compatible experience, just plug the chat headset into any PlayStation4 controller with a 3.5mm port and you're good to go.

Clear voice chat communication

The chat headset features a noise-cancellation microphone and pop filter for clear chat audio. The single ear cup allows you to hear game audio from your TV or home entertainment system as you chat in-game with your squad or party chat with friends.

Lightweight comfort with reversible design

The soft ear cushion and a thick foam headband keeps you comfortable during longer gaming sessions. With a reversible design it can be worn on either the left or the right ear.
